

English

Our reading & writing will be based around traditional tales and fairy tales. Please revisit these during your shared bed time reading!

Science

We will be exploring the properties of materials including what materials are used for, their properties and finding out which material is best for the job!

Art/DT

Our topic for this half term is Moving Pictures. This will be inspired by our English topic Traditional Tales. During spring 2 we will be studying the artist Matisse.

PE

Club Sport will continue to teach multi-skills and through dance and movement we will tell fairy tale stories.

Spring Term Curriculum Overview

Class 2

History/Geography

In history we will be looking at the lives of some Great Explorers.

Maths

We will continue to learn number facts to 10 and 20, recognise numbers to 100 and beyond. Working on the 4 operations in the context of real life problems will help to make our learning fun!

ICT

This term we will be learning to programme a variety of programmable toys. The children will learn to create and edit algorithms.

RE

In RE we will be thinking about how we should care for the world. We will be reading the creation story and thinking about how we can make a difference to our world.

Music

The children will learn about beat, rhythm, pitch and timbre through singing.
