Dear parents,

### Snow!

A huge thank you to the McDonagh family who rescued stranded parents on Tuesday afternoon from the bottom car park! I am pleased to hear you all made it home (eventually) safe and well.

### Pizza Express

Class 3 are off to Pizza Express in Marlow on Thursday 7<sup>th</sup> February as part of their Design Technology objectives for cooking. I look forward to sampling their creations!

### Reading

In case you missed the previous advice, studies show that reading for pleasure makes a big difference to children's educational performance. Evidence suggests that children who read for enjoyment every day, develop a broader vocabulary, increased general knowledge and a better understanding of other cultures. Children are then able to transfer this into their own writing. Learning to read is about listening and understanding; as much as reading what is printed on the page. Through hearing stories, children are exposed to a wide range of words. This helps them build their own vocabulary and improve their understanding of what they read and hear.

Even if your child doesn't understand every word, they will hear new sounds, words and phrases which they can then try out for themselves.

As your children start to learn to read at school therefore, you can play an important role in helping to keep them interested in books. Find out what interests them and then help them to find books that they find engaging and fun. Please also spend time together reading the books they bring home from school.

To help you in choosing the right books, please visit our school website and go to [Pupils – Reading list for EYFS, KS1 and KS2](#).

As always, have a lovely weekend.

Best wishes,  
Mrs D Groom  
Headteacher

It was lovely to see so many parents supporting our Stay and Learn sessions. Feedback received so far, has been very positive. Due to the snow, Class 2 have postponed their Stay and Learn session until Wednesday 30<sup>th</sup> January 9 at 9.45am. Mrs Croft has planned for you to observe how we deliver phonics and guided reading.
