

Class 3

Curriculum Letter

January 2018

Happy New Year!

Welcome back Class 3 parent and carers. I hope you all had a lovely holiday and are now well rested and ready for the year ahead.

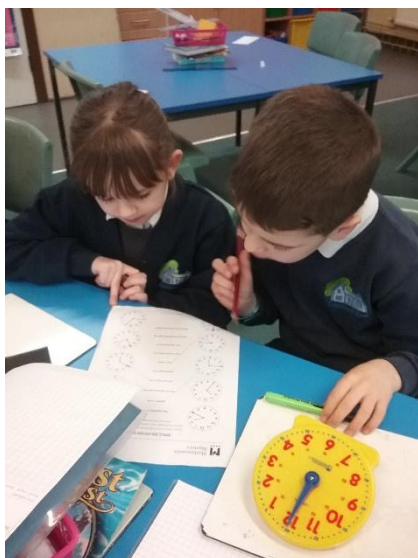

The children in Class 3 have made a fantastic start to 2018. We dove straight into our new units for Maths, English and History and I have been very impressed with the enthusiasm and energy of the class towards their learning.

English

In English we are looking at the well-known myth King Midas and his golden touch. We have looked at other examples of characters who possess a magic touch and myths. We will be delving deeper into writing myths of our own as the unit progresses.

Maths

I have been incredibly impressed at the children's confidence with telling the time. This is a unit that has proven very difficult in the past in other schools, however the children here at Cadmore End have wowed me with their knowledge and understanding. Keep it up Class 3! Keep practising at home as well!

Sadie and Oscar doing a Talk Task.

History

In history we have started the unit of Ancient Egypt. So far we have looked at the geographical aspects of the country but will be looking further into the social structures of an Ancient Egyptian society and, of course, the pyramids.

Heads up! There will be a home project set over February half term based on the topic of Ancient Egypt. This can be in the form of a poster, 3D model, information leaflet or even a PowerPoint.

Reading

Please make sure your child reads every day and that his/her reading record is signed by an adult. Children who have read 4 evenings a week (and have their reading record signed) will be rewarded on a Friday, so please ensure this is done so your child is not left out.

PE Kits

The amount of children in the class with either no or partially incomplete PE kits last term was very disappointing. Every child should bring in their full kit ready for PE on Mondays and Wednesdays. Preferably we would like the PE kits to stay at school and only brought home for washing. Please ensure your child comes to school with a complete PE kit.

Please note!

I will be going off on my overdue honeymoon from Friday 12th January until Monday 29th January. In the meantime, the class will be left in the very capable hands of Mrs Gibbins. She will be carrying on the topics we have started ensure the children continue making excellent progress.

Kind regards,

Mrs Alvarez
