Dear parents,

The children have now completed a full week of school and have made a start on the exciting topics the teachers have planned. During the holidays, teachers have been busy revamping our curriculum (in line with the National Curriculum) to ensure we have breadth, challenge and that it engages our children. Being such a small school enables us to personalise learning so that every child's needs are met.

Safeguarding

A polite reminder but please do not enter the school building via the KS1/KS2 entrance at the start of the day. We have a duty of care to ensure all our children are safe.

Head girl and Head Boy

Well done to James and Paige, our new Head Boy and Head Girl. Both delivered an informative speech to the parents and pupils during Praise Assembly this morning. I look forward to working with these two pupils in promoting and developing our school.

We also have a new school council with our first meeting taking place this Wednesday. All council members were elected by their class. Our new school council representatives are as follows:

Lexi, Evie, Sarah, Amy, Sadie and Elliot.

Houses

This year we have decided to move away from Class DoJos to House Points; enabling pupils to achieve as a team. Children will be rewarded with house points for behaviour, attitude and demonstrating our Christian values. At the end of the week, house points are added up and the winning house is awarded points. At the end of the term the winning house will receive a reward.

Our house captains and vice captains are as follows:

Bethlehem Lennie and Harvey
Nazareth Danny and Abi
Galilee Summer and Kaolan

Buddies

Our new buddies have been elected and introduced to the children. A buddy is an important role in ensuring all our children feel safe and happy during outdoor play. Their photos can be found at the entrance of the playground to remind our younger pupils who they can go to if they need help or someone to play with.

Our buddies are:

John, Habib, Milia, Edward, Emily and Nicole

Growth Mindset

For anyone who had been with the school 3 years ago, you may be familiar with Growth Mindset. For those who are not, Growth mindset is changing the way you think to help you learn. In a growth mindset, people believe that their most basic abilities can be developed through dedication and hard work—brains and talent are just the starting point. This view creates a love of learning and a resilience that is essential for great accomplishment! All staff have just completed their final training and will be delivering lessons across the school this term. I look forward to sharing the positive impact this has had on our children (and staff) in the new year.

To get you involved in this initiative and support your child at home, an information evening for parents and governors will take place on Tuesday 2nd October at 6pm. We will provide **complementary wine and snacks** to encourage you to attend!

EYFS parents please enter and leave via the EYFS entrance.

The gate is locked at 9.05am. If you find yourself locked in, please return to where you dropped off your child and locate a member of staff who will assist. Thank you for your cooperation in keeping our children safe.

New Email Address

Don't forget we have a new email address for our office. Our new office email is office@cadmoreendschool.org (Please delete previous email details to avoid confusion)

Meet the Teacher

Don't forget we would like to invite you to meet your child's class teacher on **Monday 17th September**. It will give you a chance to find out about the routines and expectations. There will also be a chance you to ask questions. To help families who have two or more children, we have spread out the times as follows:

6:00pm Class 2

6:30pm Class 4

7:00pm Class 3

Harvest assembly

We will be holding our annual Harvest Festival on **Friday 28th September**. This year, we will have our Harvest Assembly at 9:00am in the school hall.

Please can you donate food for this event. This year we will see the produce at the end of the event and money will be given to a charity chosen by our new school council. This also happens to be the last Friday of the month so we will have tea/coffee and tea cakes available afterwards.

As always, have a lovely weekend.
