

Dear Parents,

I have been running language clubs at various primary schools for the past 8 years, and I am very keen to keep the French club going at Cadmore End Primary School. I feel children will benefit from an introduction to French at a young age, and they will take this knowledge through to secondary school, where they will hopefully continue learning French.

I will, amongst my own material, be using a text book called 'Skoldo' written by Lucy Montgomery. This book is designed for years 1- 6 in many schools. I have also shadowed and helped out in many French lessons in pre prep, prep schools and grammar schools to enhance my experience.

**Topics for younger children include:**

French stories (the children enjoy these as they recognise much loved characters)  
Games – memory test, flashcards, snakes and ladders (all in French)  
Various activities and worksheets covering many different topics  
Vocabulary  
Songs

**Topics for older learners include:**

Conversation practice  
Basic grammar  
Games  
Vocabulary  
More complex worksheets covering further grammar and sentence construction - older children enjoy these as they are challenging and they can begin to understand full sentences easily

I aim to run a club of 3-6 children once a week for a 10 week period at lunchtime for half an hour, the fee per child will be £3.50 which will go towards various materials, travel costs etc.

I do hope to hear from you soon.

À bientôt!

Nalina Pitt

BA Hons European Studies and Combined Modern Foreign Languages

Please can you kindly complete and return the below slip to Mrs Coyle at Cadmore End School office.

Merci!

Nalina
