

## Cadmore News

### *Friday 3<sup>rd</sup> July 2020*

Dear parents and carers,

This week saw all year groups back in school. The children have settled well and are enjoying their lessons. It is lovely to hear laughter and chatter echoing around the school. It brings a sense of normality!

In Bubble One, children have been learning about slugs and snails. The wet weather has helped! Our new Bubble Two's topic this week, has been nature. They have written some lovely nature poems, made wind chimes and have been applying their maths skills to solve mysteries. In Bubble Three, the children have been reflecting on the past and setting goals for the future, through creative activities.

### **Messages/Adverts from External Organisations**

#### **Getting Ready for School – a message from Bucks NHS School Nursing team**

In response to requests from parents, carers, pre-schools and primary schools in Buckinghamshire, Bucks NHS School Nursing has launched a **"School Readiness"** service.

Our shared aim is help prepare children who are starting school in September so that they can look forward to a healthy, happy school life right from the first day.

The website includes lots of useful **information and advice**, a **'school readiness' checklist** and a means by which you can **refer directly** to the School Nursing service if you are looking for additional support. All correspondence via the website is confidential and data protection compliant.

The address for the School Nursing website is <https://www.buckshealthcare.nhs.uk/School-nursing/>. There they will find a link for **'Getting Ready for School'**.

We hope you find the service helpful.

Jenny Chapman  
Head of Community Children & Young People Services  
Buckinghamshire Healthcare NHS Trust

**Holiday Camp at Home**

Bringing the fun of summer clubs to your back garden...

Hire one of our experienced, trained and fully DBS checked Camp leaders for a day or a week.

### Kids Summer Technology Camp – Next Thing Education Camps Ltd

Tech camp is here for **Summer** with all **NEW** activities!

We are running on 3<sup>rd</sup> - 7<sup>th</sup> August and 17<sup>th</sup>- 21<sup>st</sup> August 2020 at St John's Primary School, HP27 0PL from **9 am to 4 pm** each day.

Our technology camps are your child's ticket to another world, with lots of exciting activities for curious coders, inventors and artists. Kids can learn how to program *artificial intelligence robots*, *modify madness with Minecraft* and even create their own *digital app*! The camps are designed to help children acquire in-demand skills from a young age, which will be needed for their future jobs market. Simply put, it is the perfect place for them to push their coding skills even further and provides an unforgettable learning experience.

Covid-19 safety – please watch our video to see how we are making our camps safe and secure this Summer:
