## Words from the Woods!

*Friday 13<sup>th</sup> November 2020*

**Dear parents and carers,**

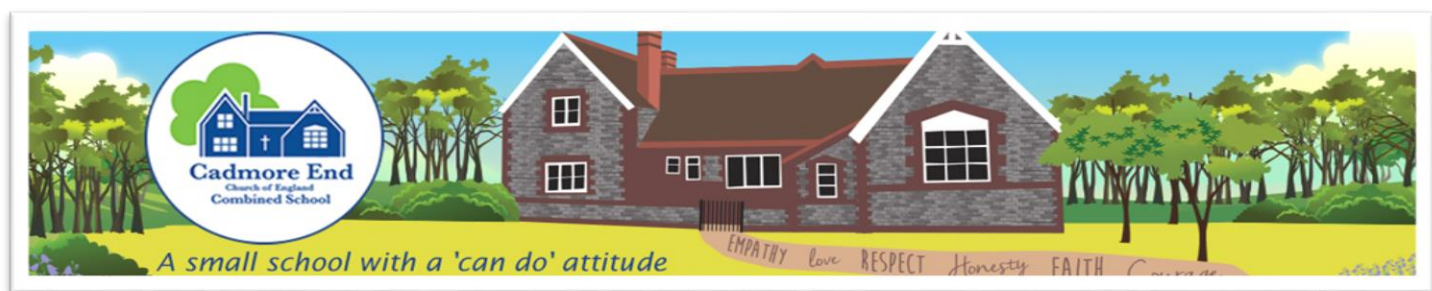

The School Council led their first sponsored walk this academic year and raised a very impressive £1,262.50!! The walk itself was greatly enjoyed by all the children and staff; especially reception children who walked with their new year5/6 buddies!

With this money and a kind donation from Mr Champness (Ella and Poppy's daddy) business, we will be able to purchase 5 new laptops for the children! A huge well done to the School Council for organising such a successful event.

### Parent Governors

We are looking for two new parent governors! If you believe that you have the skill set and would like to support the Headteacher and Governors, with driving the school forward, please do get in contact with myself or our Chair of Governors Jackie Day to discuss the role further. ## Flu Vaccination

This year's Flu vaccination will take place on Wednesday 9<sup>th</sup> December and will be offered to pupils in Year 1, 2, 3, 4, 5 and 6. You should have received a letter or an email that includes details of the on-line link for the consent form. If you have any problems, please contact Mrs Leigh.

## Data Collection Sheets

If you have not already done so, please could you return your child's data collection form by Wednesday 18<sup>th</sup> November 2020.

## Promotional videos

If you have not already watched, please take a look at our new promotional videos for prospective parents. These can be located under the tab '[Virtual Tour](#)' which is on our school website [home page](#).

There is a 'virtual tour' which takes you around the school with photos and video clips. We have a 'Gogglebox' style video made by our Head and Deputy Girls and Boys. We also have a video for parents who are moving their child mid-term. This has been produced by pupils in Class 4 who have recently moved to our school.

If you know anyone who is looking for a school (whether that is for nursery, Reception 2021 or are new to the area) please do direct them to our school website

## Coats

Now that the weather is starting to change, please ensure that your child comes to school with a **named** coat. We still go outside even if it is raining!

Please make sure that all gloves and hats are also labelled!
