## Words from the Woods! *Friday 11<sup>th</sup> October 2019*

Dear parents,

Thank you for all your well wishes. I am delighted to say that I met with my surgeon yesterday and he is pleased with the progress I have made. My return to work is phased up until October half term: which means that I will be in every day but not all day. After half term, I will be back full time. I am so happy to be back and spending time with my second family!

I would like to say a huge thank you to Mrs Zeun, Mr Stone, all of the staff and governors for their hard work in maintaining the good work that goes on here at Cadmore.

### News from the Classrooms!

Class 1 have been working hard on their phonics and are flying through all the different phoneme combinations. They have also been looking at repeated patterns in maths and have produced some lovely art work.

The smell of freshly baked bread has been coming from Class 2. In preparation for our Harvest celebrations, they have covered maths, English and science whilst making fresh bread. The bread was so delicious they forgot to save me a piece!

Class 3 are very absorbed in their new class novel *Street Child* by Berlie Doherty. The story is set in the Victorian era and links with their art and history projects. I look forward to reading their persuasive letters next week.

Finally, Class 4 has been studying Pop Art artists and this week they have been looking at the artist Roy Lichtenstein. In science the children have been writing explanations as to why day and night occur and in RE they have been using modern day situations and discussing how Jesus may have dealt with them.
