On Monday 25<sup>th</sup> February, the children will be visiting the Metro Bank in High Wycombe. Please make sure all permission forms are brought in that day.

##### Parents evening

Parents Evening will be held on Wednesday 27<sup>th</sup> February 3.30 – 7.30. If you have not already made an appointment, please do so as these meetings are very important.

##### Sing Perform Inspire!

Year 2 will be joining local schools at Stokenchurch Primary School for a morning of singing! The workshop will take place on Friday 8<sup>th</sup> March 9.30 – 12.00.

##### Attendance and Punctuality

Last academic year, we focused on improving attendance across the school. I am pleased to announce that we have remained at national average of 95% or above for the past year! Well done.

This academic year, we have focused on punctuality. This has improved but we still have persistent lateness. Pupils who are late are unsettled and find it a real struggle to get themselves organised and up to speed with what is going on in the class; often missing out on Soft Start Challenges, or the start of a lesson. However, pupils who arrive just after 8.40 are settled, focused and ready to learn. Please can you ensure your child is in school and ready to learn by 8.50am at the very latest.

Did you know that there are 175 days where your child is not at school? With this in mind, please refrain from taking your child out during school time for check-ups and holidays. Again this unsettles the children as they miss out on sections of their learning.

### Stay and Learn

Thank you for the feedback from Stay and Learn. If you have not had an opportunity to feedback yet, please do so as your views helps us to improve this experience.
