

## Words from the Woods!

Dear Parents and Carers

This morning class 4 led our school assembly. The children really enjoyed preparing for this event as I am sure parents who attended appreciated. Next week it is the turn of class 2.

### Contact Numbers

The safeguarding of our pupils is paramount. Please ensure we have at least 2 correct contact numbers in case of emergencies. Please also note the children are not allowed to go home with anyone not listed as a contact unless you write to the class teacher specifying your child is to go home with another person.

Thank you.

### Parent WhatsApp group

Belonging to a group in order to gain information can be a positive thing but we have had another reason to be concerned about this app. We had a power cut at school on Wednesday morning. However, all staff were in school and working by 8am. We then received a message from a parent indicating the school might be closed. Please remember, should we need to close the school for any reason it will be announced on the school website. Please check there first. Thank you.

### NSPCC

This week we received a letter from the NSPCC thanking us for our donation of £211.70. Well done everyone!

### Class 2

Mrs Croft will be teaching class 2 after half term. She is already working in school at least 1 day a week and many of the class will know her. She will be available for parents to meet at 3.00pm on Wednesday February 7th in the school library.

And finally, you will be very pleased to know that Mrs Groom begins a phased return to Cadmore End on Monday. She will be part-time for the 2 weeks leading up to half term.

I will therefore be passing back the reins to Mrs Groom this week and my final day will be Thursday. I have enjoyed getting to know the children and your community. Thank you for your support.
