

## Cadmore End News May 2020

Weather and spring have been a blessing for those of us taking exercise during “Lockdown” on our socially distanced walks. We continue to value the support of neighbours and the Lane End Community Group for shopping and chats.

The village Virtual Grand National sweepstake was well supported and raised £600 for the NHS Charity. It was won by Alex Elms, Kensham Cottages. Thanks to Sara (Domus Equus) for initiating, organising and collecting the bets. Clapping for Carers continues every Thursday at 8.00pm enhanced by the ringing of the Church bell.

The contributions of food for the local really needy through “Community Matters” in Lane End have been good and gratefully received. The bin or box in the Church porch is taken to Lane End every Friday morning so please continue to give generously.

### Church Matters

The Church remains closed and there are no services for the time being. Easter was recognised by the Cross and flowers in the Porch which was much appreciated by locals, grave visitors and walkers. A photo of this is on the opening page of the website “[church.cadmoreend.org.uk](http://church.cadmoreend.org.uk)”. Also if you would like to make donations to the church by setting up a standing order or bank transfer details can be found on this website. With no services collections or events income is down.

The 8 month secondment of the Reverend Sue Morton to our South Chiltern Team Ministry is now ending and she returns to The Hambleton Valley Group of Churches. She has done a lot for our congregation and wider community and we shall miss her. Hoping for a replacement but meanwhile our Rector with 4 churches will be even busier but still available to all.

Pleased to advise that Barbara North (whose 90<sup>th</sup> many of us attended last year) has returned home after a spell in a nursing home.
