

Our Wave 1 entitlement for ALL children in our school.

Our values: Love, honesty, respect, courage, empathy and faith

Our behaviour for learning focus: to be curious, to have stick ability and to persevere.

We maximise both indoor and outdoor learning opportunities

Positive warm relationships are central to all that we do. This helps to develop understanding, resilience and a positive mental health for everyone in our school community

All our classes include

- A culture of high aspirations and achievement
- Qualified passionate and enthusiastic staff including valued and experienced support staff.
- Curriculum- accessible and relevant
- Child-led learning activities /personalised learning
- Daily acts of praise led by adults and children
- Purposeful and organised classroom accessible for all children
- seating to maximise learning
- Learning outcomes and success criteria are shared
- Assessment for learning - Traffic lights /self-assessment
- Quality teacher feedback based on school policy
- Rewards systems/house points
- Structures and routines
- Regular homework in the form of Learning logs
- Various resources in class to support learning including Magpie walls, Key words topics and visual supports
- Hot and cold books
- High aspirations

We encourage **independence** through our 'stickability' star and we have 'Star learner of the Week'

**Regular communication
empowers us to strengthen
home- school relationships**

The children are also given responsibilities and a chance to lead in different activities including School Council, praise time and learning walks.

People – environment - resources

Additional learning opportunities

Achievement for All 

This map of our provision was constructed through dialogue with parents, staff, governors and the children. The discussion was led by our Achievement for ALL 3AS Coach. Cadmore End School is an Achievement for All 3AS partner school.

We are grateful to all who contributed.
