

Welcome Back!

Dear Parents/Carers of Class 3,

Welcome back! I hope you had a restful Easter holiday and have been enjoying the good weather. What an explosive return to school it has been! I have been beyond impressed with the volcanoes that the children made and the eruptions we did in class. Well done to all the children that created one. They will be put on display outside Class 3.

English

In English we are learning about stories with magical objects, based on the story from China 'The Magic Brush'. From this story, we created our own class story called Charlie and the magical chalk and created our very own chalk monsters outside on the playground.

Maths

We are seriously tackling our times tables this summer term with times tables tests happening every Friday. This week will the children will be tested on the 3 times tables and next week the 4's, as so on until we reach the 12 times tables.

Please practice the times tables at home or whenever you get a spare moment. It is an invaluable skill and will open so many doors

for them within mathematics.

Spellings

Spelling tests will take place every Tuesday. Please find the spelling words for the first half term below:
