Words from the Woods!

Friday 20th May 2022

'From small beginnings come great things'

The parable of The Mustard Seed. Matthew 13: 31-32

Dear Parents,

I have to start my newsletter with a huge thank you to the PTA and Cadmore End staff and pupils for creating such a special afternoon. It was a shame that the weather was too unpredictable forcing us to stay in the hall, however we all squeezed in! At least, everyone enjoyed a slice of cake in the sunshine afterwards.

Congratulations to our winners of the Great Bake Off. It was certainly tough to judge, so much so, I had to get all the staff involved! There were two categories. One for look and one for taste.

Laila won for the best looking cake and Aubree won best tasting. Both girls have won a £10 Amazon voucher.

Class 4 residential

We are off for our first residential in three years! The majority of Class 4 are off to Quinta Christian Centre in Shropshire. Lots of activities have been planned during their stay; including a visit to Chirk Castle in Wales and exciting water based activities. Those who are not attending will stay with Mrs Whayman-Bailey who has also planned a week's worth of exciting activities!

Mrs Pattison, Mrs Hazell and I will be accompanying the children to Quinta. Whilst I am away, Mrs Lawfull will be Teacher in Charge on the Monday and Mrs Bernard Tuesday – Friday. As always, please send any communication via our school email office@cadmoreendschool.org

Weather

It has been a bit hit or miss when it comes to the weather. However, if we do have any strong sunny days, please make sure your child brings a hat and be sure to apply sun cream BEFORE school. In all cases. Don't forget that your child needs to come to school with a **water bottle**. When it is hot and sunny, the children get the chance to play in the woodlands.

Lunches and allergies

Just a reminder that we are a nut free school. Please DO NOT send your child in with nuts. This includes peanut butter sandwiches.

Assessments

Well done to Class 4 who completed their SATS last week and Year 2 this week. All results will be found in your child's report card issued towards the end of this academic year.

Just to remind you that if you would like further information on the statutory tests, please visit our [school website](#).

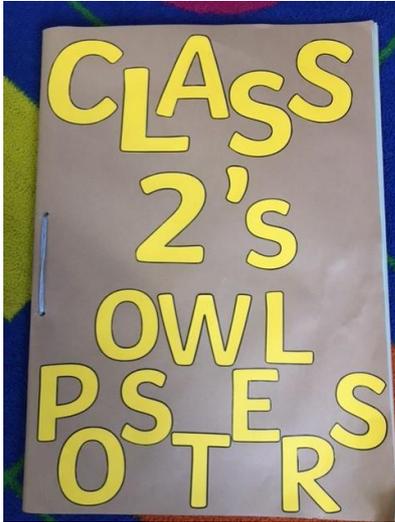

News From The Classrooms

Class 4 have been enjoying making preparations for the school's Jubilee celebrations; including writing poems, making bunting and paperchains as decorations. They've also developed co-ordination and team working skills when dancing around the maypole; which they will perform as part of the main celebration, alongside the rest of the school.

Class 4 has enjoyed working in groups making electricity circuits and taking part in scientific investigations. They have thoroughly enjoyed the start of the Community Cops scheme; with Community Officer Sophie Parfitt talking to them about Road Safety, Anti-Social Behaviour and Crime Prevention. They are also looking forward to completing further challenges independently.

Most importantly the Year 6's showed the Cadmore value of courage, as they took part in SATs for the first time. Well done Year 6's. Mrs Whayman-Bailey

Class 3 have been looking at narrative writing in English and had their first experience of the editing process. The editing process involves planning, drafting, editing and then publishing. I have to say that I was extremely pleased with the stamina the children displayed. The children also applied the different grammatical structures and punctuation they had learnt over the past three weeks. A copy of their published story will be sent home. The children have also been learning how to read analogue and digital clocks to the minute. They have become particularly good at converting the time into 24hrs! Mrs Groom.

Over the last few weeks, class 2 have been learning about information texts. To help us understand how information texts work, we found out all about owls. We put the

information we found into a poster and made a huge class book with all our posters inside!

Love Faith Courage Honesty Respect Empathy

Finally, EYFS forest school investigated dandelions and made a cordial!
Unfortunately, it was not to everyone's taste! However, they certainly enjoyed the process. Mrs Hazell

Recycled Bottle Top Art

Rangers & Eco Council are organising a collection of used bottle tops to create some recycled art for the playground.
There will be a collection box in the main entrance
Many Thanks
Mrs Hazell

As always,
Have a lovely weekend and I will see you on Monday.
Mrs Groom
Headteacher
