Mon 1.11.21 Fri 17.12.21

## Words from the Woods!

**Friday 2<sup>nd</sup> July 2021**

Dear parents and carers,

I would like to share some lovely feedback from a Buckinghamshire adviser who visited Mrs Croft and our EYFS team last week. The visit was to look at our provision and offer advice and support where needed.

Mrs Mitchell was extremely impressed with how the internal and external environments have been developed; enabling children to practice key language, vocabulary and skills through a variety of carefully planned purposeful activities. She also commented on how well the adults supported the children's learning through modelling.

Photos of our environment have been taken and will be used by Buckinghamshire Council in future training for EYFS settings. Well done EYFS!!

Also, Class 2 have been busy transforming their outdoor area ready for September. Mrs Bernard wanted to start early so that our current Year 2's could appreciate the environment before they move up to Year 3. I look forward to sharing more photos when Mrs Bernard is finished! A huge thank you to Mr Bernard for laying the artificial grass – you did a great job.

## Parent Teacher Consultation

It was lovely to hear that the Parent and Teacher Consultations went well and that most of you were able to speak to your child's class teacher. However, if you were unable to and would like to have the opportunity to speak to your child's class teacher, please contact the school office and they will contact you, to arrange a mutually convenient time.

## Whole School Transition Tuesday 6<sup>th</sup> July

We will be having our first transition morning on Tuesday 6<sup>th</sup> July! During the transition morning, the children will complete a range of activities in preparation for September. This session will be particularly special for the older year groups in each class, as they help the younger year group to become familiar with the new environment.

## Meet the Teacher

We had hoped to have invited you in for 'Meet The Teacher' next week; a chance for you to meet your child's new class teacher for September, explore the classroom and ask any questions about the next academic year.

Last week however, we received further communication from Buckinghamshire Council, which was sent to all schools and early years in the country, strongly recommending that we should avoid inviting people in. This is due to increased cases of the Delta (formerly "India") variant.

Although I am very disappointed that we are not going to be able to welcome you into our school on Thursday 15<sup>th</sup> July, we would like to invite you instead to meet your child's class teacher virtually that day.

Day and timings are as follows:

Class 4 - Mrs Whayman-Bailey - Thursday 15<sup>th</sup> July 3.30pm – 4.00pm

Class 3 - Miss Butler - Thursday 15<sup>th</sup> July 4.00pm – 4.30pm

Class 2 - Thursday 15<sup>th</sup> July - 4.30pm – 5.00pm **(If your child is at the school disco, we will keep hold of them until you arrive)**

## Sports Day

Don't forget that Sports Day has been scheduled for Friday 9<sup>th</sup> July at 2pm. This will be our first public whole school event. As a small school, we are able welcome our families to join us at Cadmore cricket pitch and enjoy the fun! The PTA will kindly serve refreshments for a small donation.

An email will be issued closer to the time which will outline our COVID risk assessment for this event.

## Sunglasses

Just a reminder that, due to health and safety, children are not to wear sunglasses in school. Tinted glasses and children running are not a good mix! If your child needs these for medical reasons then please bring in a letter/note from their GP.

## School Disco

We will be having our first whole school disco on **Thursday 15<sup>th</sup> July 3:30 – 5:00pm**. Due to COVID, this will be led by staff at Cadmore End School. Mrs Maughan will be our DJ and prize giver! Please look out for a letter in your child's book bag.

# Celebration Assembly

Friday 2<sup>nd</sup> July 2021

| Class | Award            | Name     | Reason   |
|-------|------------------|----------|--|
| 1     | Star of the Week | James    | For increased concentration this week during carpet time activities. James has been listening and responding thoughtfully, keep this up James!                   |
|       | Science          | Aubree   | For taking such a keen interest in our butterflies this week. What a keen observer, spotting lots of details and asking questions.                               |
|       | Maths            | Emma     | For showing great understanding of halves and quarters of shapes this week!  |
|       | Writer           | Henry    | For such excellent letter formation of his 'curly caterpillar letters and keen 'can do' attitude, well done!   |
|       | Values           | Matas    | For showing great understanding of the parable of 'The Good Samaritan' and knowing that we should respect our friends just like The Samaritan did in the story.  |
| Class | Award            |          |  |
| 2     | Star of the Week | Naomi    | For showing such a grown-up attitude towards school. You're definitely ready for year 2!   |
|       | Science          | Sophie   | For showing a very caring attitude towards animals when we were learning about how Zoos had changed over the last 100 years.                                     |
|       | Maths            | Stanley  | For recognising the pattern when we were using our number bonds to add 2-digit numbers easily.   |
|       | Writer           | Thea     | For making brilliant progress with writing since this year. Keep it up!  |
|       | Values           | Chloe    | For always giving 100% in all areas consistently throughout the year.  |
| Class | Award            |          |  |
| 3     | Star of the Week | Ella C   | For always contributing to discussions on the carpet. For being a friendly face to everyone in the class and for showing tolerance and kindness to all children. |
|       | Science          | Isabella | For making thoughtful contributions to our class discussion about famous scientist and inventors. They have recognised their importance in our world today.      |
|       | Maths            | Lilly    | For persevering thought some division strategies last week. She worked hard to improve her understanding of division on a number line.                           |
|       | Writer           | Ella N   | For trying her best to work more independently, for thinking of some good vocabulary to include in her instruction writing.                                      |
|       | Values           | McKenzie | For being helpful and kind to others when working in a group. He has shown empathy to those who have needed help in a task and worked with them to complete it.  |
| Class | Award            |          |  |
| 4     | Star of the Week | Amelia   | Amelia is such a lovely, caring girl and I have really seen a 'can do' attitude this week, especially with regards to her English work – well done.              |
|       | Science          |          | N/A  |
|       | Maths            | Matthew  | Matthew has really made progress this week with interpreting line graphs. He is a capable and diligent worker – keep it up!                                      |

|  |        |        |  |
|--|--------|--------|--|
|  | Writer | Edward | Edward has written an amazing story based on WW2 using figurative language. He has created credible characters and has really thought about the plot, it's development and audience. Well done Edward!   |
|  | Values | Archie | I have been very impressed with Archie's courage at coming back to Cadmore. He has persevered with his writing and in solving Maths problems this week. He is growing in confidence in the class which has been a real pleasure to see. Keep going Archie! |

As always, have a lovely weekend.

Mrs Groom  
Headteacher
