# Words from the Woods!

## Friday 16<sup>th</sup> July 2021

Dear Parents,

Welcome back to a new academic year! I do hope you all enjoyed your summer break; spending quality time with your family and friends.

It was lovely to welcome you all back. Every child looked smart in their uniform; wearing the correct clothing, footwear and accessories. Thank you for your support - the bar (which is impressive) has been set!

I would also like to welcome our new families whose children have joined Reception or Nursery. As you would have read in my previous newsletter, Nursery is now open all day! The older children have done an excellent job in making our new members feel part of the family – especially at lunchtime! We have two spaces left for January so please spread the word.

With COVID restrictions lifting, our doors are starting to open. However, we are very aware that COVID cases are rising again. It would be detrimental to our children's education and mental health, if we are forced to partially or fully close, therefore, we will continue to take cautious steps. If your child has developed any COVID symptoms, please keep them home and take a test that day. Hopefully, you would get the results that night and, if negative, they can return the following day. It is so important for our children to attend school as much as possible, after such a disruptive 19 months.

Our first event welcoming parents into school, is our Macmillan Coffee Morning on Friday 24<sup>th</sup> September at 9am. An email will come out closer to the time.

### Communication:

Communication is important to us. We endeavour to keep you fully informed with upcoming events and key information.

Please read our fortnightly newsletters carefully. Your child's class page (found on the school website [www.cadmoreendschool.org](http://www.cadmoreendschool.org)) contains additional information e.g. class timetable.

We also have a notice board on the outside wall near the school exit. We have a staff rota for the gate in the morning, to give you a chance to say 'hello' to your

child's class teacher. However, if you have a matter that needs to be discussed, please do not hesitate to email the office [office@cadmoreendschool.org](mailto:office@cadmoreendschool.org) to arrange a mutually convenient time to talk.

**Please DO NOT email the class teacher directly as these email addresses are for lockdown and snow day purposes only.**

#### **School Data Returns:**

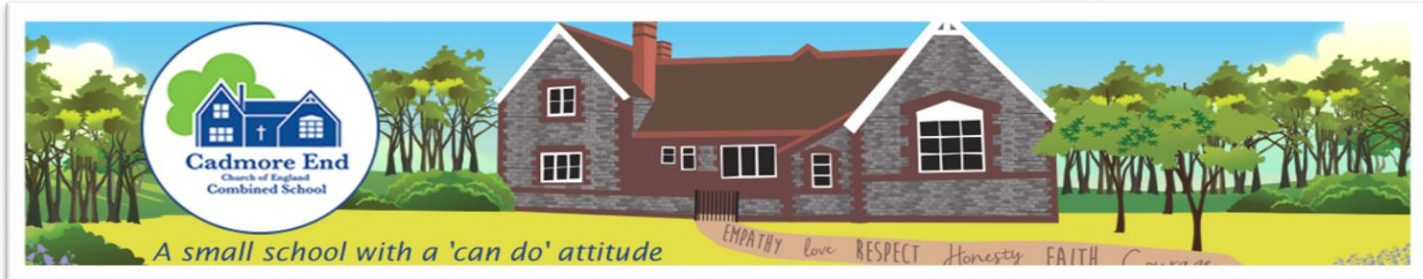

Next week you will receive (existing pupils' only) a Data Return Document for your child. It is extremely important that you check it carefully and update where needed. If there is no change, please still sign and return within seven working days of receipt.

#### **School Elections:**

Democracy has been in the air at Cadmore. This week the children have been busy voting and electing new members to represent the different roles at Cadmore. I am pleased to announce the following:

<b>Head Girl:</b>	Charliane
<b>DHG:</b>	Sarah
<b>Head Boy:</b>	Matthew
<b>DHB:</b>	Archie
