

Class 3 – Homework Learning

Tasks for Autumn 2

Mathematics

Challenge 1:

Can you identify any arrays in your home? Take a photo or draw the array with the multiplication number sentence it shows.

This can be completed at any point over Spring 1

Parent/Carer Signature: _____

Art/DT

We are looking at developing our painting skills this half term. Can you paint a picture of your favourite place. This might be a room in where you live, it might be somewhere outside (garden), a favourite holiday destination or somewhere you would wish you could go to.

Parent/Carer Signature: _____

Science

Isaac Newton is a very important man. Can you find out why this is? He is linked to our forces topic. What force did he help people learn about?

Can you present this information in a poster. Using images/pictures/diagrams to make it interesting.

This can be completed at any point over Spring 1

Parent/Carer Signature: _____

Personal Social Health Education Partner project:

Challenge 1: This half term we are looking at emotions and feelings.

Can complete an information poster to help people who are feeling worried or nervous. How do they know they are feeling worried? What tips can you give them? How can they help themselves to not feel so worried?

Parent/Carer Signature: _____

Literacy – (History)

Challenge 1: Can you write a postcard from the point of view of an Egyptian child. Write as if you are writing to your friend living in England. What things are the same, what things are different? Remember that we are learning about ancient Egypt, thousands of years ago.

Things to think about/include

- Maybe the first Pyramid has been built?
- What is the weather like?
- What are your clothes like?
- What are your houses like?
- Do you live near the Nile? How does this affect your life?

Parent/Carer Signature: _____

Mathematics

Challenge 1:

This half term is all about multiplication and division. Use any resources/apps/games/websites you know to help learn your times tables. Try and focus on ones that you find difficult.

Here are some websites you might find helpful:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

<http://www.learnyourtables.co.uk/en/index2.htm>

Parent/Carer Signature: _____

Literacy (Science)

Challenge 1: Can you take a picture of yourself or someone else using force? Pushing or Pulling? Can you label the picture and describe what the picture shows?

Challenge 2: Gravity is a very important force, it keeps us on the ground. What would life be like if we didn't have any gravity. Write a short story about a boy who woke up and discovered there was no gravity. How would they stop themselves from floating away?

Parent/Carer Signature: _____

RE:

Challenge 1: We are looking at how different religions celebrate the birth of babies.

Can you create an information poster that explains what happens at an infant Christian baptism. Try and include the key words and events. Describe the purpose or meaning of certain objects if you can.

Parent/Carer Signature: _____

Spanish

Challenge 1: Can you write a food diary including the main food you have eaten that day, in Spanish? What are the words for breakfast, lunch and dinner?

Music

What music did the ancient Egyptians play? Draw a picture of an Egyptian instrument with some simple labels to explain what it is.
