

What to do

*IMPORTANT Parent or Carer –
Please check that you are happy with any weblinks or use of the internet.*

1. Counting practice

- Count to 20, 30, ... 100 with your child!
- Throw a soft toy (e.g. a teddy) to them. They say 1.
- They throw it back to you and you say 2.
- Keep up a good pace, throwing and catching and saying the next number. (This is harder than you think!)
- Keep throwing it back and forth. How far can you get?

Extension

- You can have a penalty or forfeit if you say the wrong number! E.g. You can do 5 star jumps!

2. Working together

- Work through *Emoji Key Rings* together.
 - You will need coins: 1p, 2p, 5p, 10p and 20p – at least three 1ps, 2ps and two 5ps and 10ps. Just one 20p.
 - You also need pens and paper.

Try these Fun-Time Extras

- Take a mug and turn it upside down on the table. Place a coin underneath it.
- Describe the coin to your child.
- Can they guess the coin? Give a reward – maybe a 5p coin!
- Try with two mugs, each with different coins.

Have a piece of paper each with your name on it.

You are going to use this to give yourself ticks. ✓✓✓

What to do

- Choose an emoji key ring from the pictures below.
- Read aloud how much it costs.
- Choose the coins to pay for it.
- If you are correct, you may give yourself a tick on your page.
- If you have chosen the fewest coins possible to make that amount, you may give yourself two ticks on your page.
- Continue like this until all the emojis have been 'bought'.
