## The parents/carers will:

### The Learning Environment

Make sure that my child will arrive at school by 8.50 am.

Make sure that my child is wearing named school uniform and that their PE kit is brought into school at the beginning of each week.

Ensure my child reads at home and brings their reading book in to school every day.

Endeavour to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

### A Healthy, Happy Community

Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.

Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.

Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning.

Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.

Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.

Read all information emailed or sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.

## Homework

Please support the school by making sure that homework tasks are completed and returned on time. (Each class has a homework policy which is issued at the start of the academic year and is published on the school website).

Please use your talents and experiences to enhance your child's learning at home – Your child will benefit greatly from what you can show them, discuss with them and teach them.
